## Aventa in Our Community

### Build-A-Bear for Children's Hospital Colorado

At Aventa, we pride ourselves on being a good neighbor and an active partner in our community. Whether it's employees volunteering their time, raising money for charitable causes, or sponsoring local events, our goal is to deliver positive change by supporting and participating in our communities.

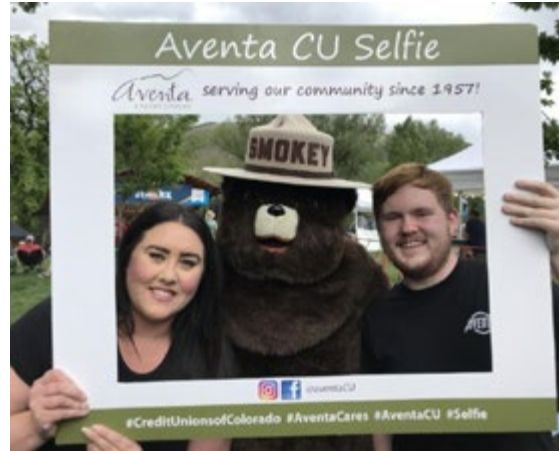

To show our support for the patients and staff of the new Children's Hospital Colorado, each member of our staff was given the chance to stuff a special bear and add a note of encouragement for the kids receiving treatment. The Aventa bears will be delivered later this month and we're hopeful they'll bring smiles to the faces of their recipients

## Community Events and Celebrations

We've enjoyed a number of great events lately including FIBark, the Housing and Building Association of Colorado Springs Party on the Patio, the Greater Pueblo Chamber of Commerce Golf Tournament, ice cream socials at our Cascade and Dublin Branches and the Pueblo Chili and Frijoles Festival.

Thank you to all our members and associates who came out to support us at each of these events.

Take a look back at some of the fun!
